## Long lasting confidence and responsive all-season handling.

The GEOLANDAR X-CV G057 is engineered specifically for performance crossovers and SUVs. It's loaded with the latest features and technologies to give you long lasting confidence and responsive all-season handling no matter the weather.

### **CROSSOVERS AND SUVs**

The GEOLANDAR X-CV G057 is designed specifically for performance crossovers and SUVs.

### **LONG TREAD LIFE**

Go the distance with our premium Micro Silica compound for long-lasting, all-season performance.

### **ALL-SEASON TRACTION**

Whether your roads are dry, wet, or dusted with snow, our high tech compound and tread design give you the confident handling you need, all year long.

### **QUIETER RIDE**

Enjoy the peace and quiet from our In/Out Shoulder Block and the 5 Pitch Thread Variation designed to minimize road noise while giving you a relaxing, easy ride.
