## Designed to go the distance, year after year.

Providing exceptional mileage and grip, the all-new AVID Ascend LX is an outstanding all-season touring tire engineered to deliver a quiet ride and long-term reliability.

### **PASSENGER CARS & MINIVANS**

Built to deliver all-season confidence to drivers of passenger cars, crossovers and minivans.

### **OUTSTANDING TREAD LIFE**

Our new L-2 Compound provides tread life so long, we back it by an impressive 130,000 km Limited Treadwear Warranty.

### **SUPERIOR WET TRACTION**

Four wide circumferential grooves assure reliable wet braking.

### **DEPENDABLE WINTER TRACTION**

Notched intermediate ribs and wavy 3D shoulder sipes provide exceptional strong grip for worry-free driving in wintry conditions.

### **QUIET RIDE**

An offset tread design staggered in a five-block sequence helps reduce pattern and road noise for a comfortable, smooth ride.
