## There's no reason you can't have the performance you demand, all year long.

The ADVAN Sport A/S+ is an all-season tire specifically engineered to deliver long wear and ultra-high performance at every turn.

### **PERFORMANCE & PASSENGER VEHICLES**

Drive any time and in any condition with your performance or passenger vehicle.

### **ALL-SEASON TRACTION**

New HS-2 all-season compound and asymmetrical tread design are specially engineered to dramatically improve traction, no matter the road condition.

### **SUPERIOR HANDLING**

Enhanced performance shoulder increases lateral stability to handle any curve with confidence.

### **LONGER TREAD LIFE**

Optimized contact patch equally distributes pressure for long, even wear while our 90,000 km Limited Treadwear Warranty delivers year-round peace of mind.

### **QUIETER RIDE**

Four-pitch tread variation reduces road noise for a comfortable, quiet ride.
