PARADA Spec-X

You shouldn't have to sacrifice performance for style.

The PARADA Spec-X gives your ride the look you want with the capabilities you need. All tire, no compromise.

TRUCKS AND SUVs

The Parada Spec-X is specifically designed for the larger rims on today's trucks and SUVs.

SUPERIOR HANDLING

Whether roads are slick or dry the Solid Center Curved Ribs will keep you glued to the road.

ALL-SEASON TRACTION

An eye-catching tread pattern serves up ultimate control and handling in any weather.

RESISTANCE TO WEAR

Ride smooth and glide around corners with Reinforced Shoulder Blocks designed to promote even wear and cornering stability for heavier vehicles.
